Mike Albert's "Ultimate Tribute" show has become known worldwide for the respectful portrayal of the late Elvis Presley. The show had its beginnings with Mike using sing-a-long tapes of Elvis' hits. Mike won several major world "Elvis" contests, and demand for his shows resulted in putting together a seven piece Big "E" Band, to emulate the sound Elvis' band had in the Vegas shows and on tour. Mike's powerful voice lends itself well to every type of Elvis' music - 50's, 60's and 70's rock and roll and love songs, as well as gospel, he sings it all. Since Elvis had so many hits, Mike makes it a point to keep the show fresh with an ever-changing song line-up! We will leave the Bethlehem area around 10 AM, travel to Penn's Peak where we will enjoy a wonderful lunch before seeing the rendition of one of the most loved performers in American history. We should arrive back in Bethlehem around 5 PM after an amazing show. **Cost \$325.00**

A four-time Grammy winner, Benatar is a classically trained mezzo-soprano. During the 1980s, Benatar had two RIAA-certified Multi-Platinum albums, five RIAA-certified Platinum albums, three RIAA-certified Gold albums and 19 Top 40 singles, including the Top 10 hits, "Hit Me with Your Best Shot", "Love Is a Battlefield", "We Belong" and "Invincible". During the early days of MTV Benatar was one of the most heavily played artists on the popular music channel. Her hits continue to be as unforgettable now as they were at the dawn of MTV, when Pat emerged, fearless, fighting and forging a path for other female rock stars around the world. Pat Benatar is acknowledged as the leading female rock vocalist of the '80s - a feat marked by her unprecedented winning of four consecutive Grammy Awards between 1980 and 1983, as well as three American Music Awards - but Benatar and Giraldo remain a rock 'n' roll powerhouse today, selling out concerts and still wowing audiences after over three decades in music together. Theirs is a chemistry that will, undoubtedly, be thrilling music-lovers forever.
