**SUPERVISION & ASSISTANCE LIMITS**

FunWorks, Inc. provides assistance on each trip, but the exact level of assistance varies with the trip type. Our *Regular* trips are planned at approximately a 1:4 staff to participant ratio. This means one of our trip leaders or volunteers for every four individuals. With our *Special* trip option, we have approximately a 1 staff to 1 individual ratio. Camping tours have about 1:4 ratio. The actual ratio for any particular trip can vary from these guidelines, but the ratio would not vary by more than one more participant per staff person. If a greater variance is needed due to staffing problems we will contact you to discuss the options of either dropping from the trip without penalty or staying on the trip with the new staff ratio. FunWorks, Inc. does not guarantee in-room 24 hour assistance. Our staff assist people while in the community and during normal awake hours while at lodging. Our staff stays on-site at the lodging, of course, but we generally do not have staff sleeping in the rooms with participants, unless there is a need for physical assistance (e.g. wheelchair transfer) at night, or if night supervision has been pre-arranged.

## **REFUND AND CANCELATION POLICY**

Whether you register for a trip by phone, fax, internet, mail, or in person, such registration authorizes us to (1) sell a space on the trip to you, (2) send you an invoice for the trip, and (3) purchase any air, train, cruise, or activity tickets for your trip. If you decide to change or cancel the trip you must notify us in writing at least 30 days prior to the departure date for bus trips, 45 days prior to departure for air, train, or cruise trips. We will return your money, less a \$100 cancellation fee and any non-purchased portion of the trip package. Changes and cancellations within 14 days before departure and no-shows are non-refundable. Airport/City departure changes after tickets are issued, are considered a change in itinerary and penalties will apply. However, if we have already purchased airline or other non-refundable tickets for you per your trip registration (see above), we will charge you for these tickets and mail you the tickets to use towards possible future travel. We cannot give air ticket refunds even for cases of illness. We are purchasing the tickets only as an agent, on your behalf and per your order. Any requests for ticket cost refunds must be done directly with the carrier. Cancellation insurance may be purchased from us for all trips. If paperwork is incomplete; due to reasons of safety, travelers may lose their space on the trip if necessary paperwork is not received by the due date. Change/cancellation penalties may apply. No refund will be issued if the individual is refused boarding due to lack of proper identification. If we decline to accept your application because of lack of space or because we are unable to accommodate your special needs we will refund your deposits in full. If payment is not received before the trip, or other arrangements made, your payment and your space on the trip will be forfeited. There will be No refund for cancellations or delays due to weather. If you are more than 30 minutes late for your tour departure, you will be considered a "no-show", and you will forfeit the entire trip fee.
